EFC-Genesys East Flint Campus

Common CAPT Elements

As first year fellow- EPPP support group on Monday after Psychopharmacology only and Pathophysiology Class at U of M Flint on Tuesdays from 4pm to 6:45 pm for Fall Semester only.

Weekend: On-Call every third

Notes:

1. Because CH works with IM and OB in a longitudinal format, this schedule represents a representative sample but the specifics on any given week will vary. In general, responsibilities for this fellow include
 - ½ - 1 day per week precepting/shadowing/didactics with IM residents
 - ½ day per week precepting/shadowing/didactics with Ob residents
 - ½ day per week didactics with FP residents

- 2-3 ½ days per week outpatient psychotherapy
